On November 10, 1975, the General Assembly of United Nations passed Resolution 3379, which declared Zionism a form of racism. Afterward, a tall man with long, graying hair, horned-rim glasses, and a bowtie stood to speak. He pronounced his words with the rounded tones of a Harvard academic, but his voice shook with outrage: The United States rises to declare, before the General Assembly of the United Nations, and before the world, that it does not acknowledge, it will not abide by, it will never acquiesce in this infamous act. This speech made Daniel Patrick Moynihan, the U.S. ambassador to the United Nations, a celebrity, but as Gil Troy demonstrates in this compelling new book, it also marked the rise of neo-conservatism in American politics—the start of a more confrontational, national-interest-driven foreign policy that turned away from Kissinger's detente-driven approach to the Soviet Union which was behind Resolution 3379. Moynihan recognized the resolution for what it was: an attack on Israel and a totalitarian assault against democracy, motivated by anti-Semitism and anti-Americanism. While Washington distanced itself from Moynihan, the...
