REVIEW This book is the perfect mystery. Full of suspense, action, and drama, Stake Out is one of the best mysteries I have ever read. It has just the right amount of family matters to balance out the plot, and the author paints such a vivid picture in my mind that I can almost smell the sea salt. The unexpected twists are just delightful! This book is great for people who love mysteries and people who love the environment. I liked this book so much that I will read it again and lend it to all of my friends. I highly recommend reading Stake Out by Bonnie J. Doerr.
