Paperback. Book Condition: New. Rob Bowker (illustrator). Paperback. 251 pages. A young woman stares hard at a black-market pregnancy test and wonders if she will live to see the dawn. What starts with a simple home-invasion goes awry when neither the burglar nor the burgled are who they seem. A boy, his father, and a mustachioed man of myth face off against a leviathan during the height of World War II. After seeing his rival on TV performing a routine that he wrote, a struggling comedian plots revenge with a Remingtonor two. A gambler recounts the origin of the legendary one-armed gunfighter, Silas Starkweather. The eleven stories contained herein may vary dramatically, but their inception was the same: each was composed via the simple alchemy of ink on paper. Pen and Platen: Short Stories Written the Long Way features tales that never came within a country mile of a computer until at least the third draft. Rather, they were pounded out the old-fashioned way on Mike Speegles venerable Olivetti Lettera 32 typewriter and editedby handwith a fountain pen. This process, though intense, was a labor of love, and is the authors way of providing the reader with the purest story possible. P and P is by design all killer, no filler. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
