Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Mrs. Josiane Collins)

COW TAKES A BOW

Usborne Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Cow Takes a Bow, Russell Punter, Fred Blunt, When Brown Cow visits the circus, she ends up stepping in for the clown who hasn't turned up for work. She slips, trips, drops things and loses her hat, and thinks that she's done a pretty bad job - but the ringmaster is thrilled. A lively story, specially written to develop phonemic awareness, this book is ideal for reading aloud and for children who are beginning to read for themselves. Simple, phonically repetitive text is a great way to develop essential language and early reading skills, and guidance notes are included to give parents confidence as they help their child learn to read.
