Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Human nature is essentially same, man can fight or kill for anything and any idea whether based on ideology, nationalism or class, it can divide people of the same race, even the same religion and even of the same family. The ulterior motivation is always personal or class interest disguised in the garb of high sounding slogans! I want to give certain concrete historical examples to prove this harmless assertion. Take Spain of 1930s. One race, one country, one religion, and one sect. The struggle is between the feudal-clergy-military junta and the republicans asking for more equitable distribution of resources! No Two-Nation Theory but the Spaniards fight savagely for three years! Mind you there were no fighting in the Indian Freedom Struggle, as we like to call it, although the transfer of power was more the result of war exhaustion brought upon the British Empire as a result of two world wars! The result of the fighting between the Republicans and Monarchists under Franco<sup>1</sup>, 600,000 Spaniards were killed! In the Russians Civil War fought from 1917 to 1922 the casualties; killed only, were 1 crore or ten million!<sup>2</sup> Russian killed Russians simply because one was from Denikin Kolchak or Yudenich s White Army and another from Trotsky or Lenin s Red Army! Even a Menshevik Communist killed another Russian simply because the other man was a Bolshevik Communist! The Chinese Civil War lasting from 1911 with uneven intervals till 1949 was equally brutal with Chinese killing Chinese in the name of an ideology conceived by a German of Jewish ancestry to liberate the workers of the world! The Britishers were horrified with the brutal pillage and destruction of...
