California is closely linked to countries throughout the Pacific Rim - a region that is producing some of today's most innovative art - and the Orange County Museum of Art's California-Pacific Triennial is the only exhibition in the Western Hemisphere devoted to this explosion of cultural activity. OCMA chief curator Dan Cameron has selected 32 artists from more than a dozen countries, including Japan, the Philippines, Mexico, Vietnam, Peru, Canada, and the United States. The result is one of the most essential and cosmopolitan surveys of contemporary art in the world. 208 pp. Englisch.
