The Almost Nearly Perfect People: Behind the Myth of the Scandinavian Utopia

By Michael Booth

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, The Almost Nearly Perfect People: Behind the Myth of the Scandinavian Utopia, Michael Booth, The Danes are the happiest people in the world, and pay the highest taxes. 'Neutral' Sweden is one of the biggest arms manufacturers in the world. Finns have the largest per capita gun ownership after the US and Yemen. 54 per cent of Icelanders believe in elves. Norway is the richest country on earth. 5 per cent of Danish men have had sex with an animal. Michael Booth has lived among the Scandinavians, on and off, for over ten years, perplexed by their many strange paradoxes and character traits and equally bemused by the unquestioning enthusiasm for all things Nordic that has engulfed the rest of the world. He leaves his adopted home of Denmark and embarks on a journey through all five of the Nordic countries to discover who these curious tribes are, the secrets of their success and, most intriguing of all, what they think of each other. Along the way a more nuanced, often darker picture emerges of a region plagued by taboos, characterised by suffocating parochialism and populated by extremists of various shades.

Reviews

The best book i actually go through. It can be full of wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Prof. Greg Herzog

This type of ebook is every little thing and made me looking ahead of time and more. It is among the most amazing book i actually have read through. Its been designed in an exceptionally simple way in fact it is simply soon after i finished reading through this pdf in which actually transformed me, change the way i believe.

-- Dr. Ron Kovacek
