Paulist Press. Paperback. Book Condition: New. Paperback. 120 pages. Dimensions: 7.5in. x 5.1in. x 0.4in. By the author of Celtic Prayers from Iona In Celtic tradition, the Book of Creation is where we read what the Creator has said to us. J. Philip Newell here reflects on the seven days of creation in Genesis, using them as a guide to the practice of Celtic spirituality. Each day explores a different aspect of creation as a manifestation of God, revealing divine presence at the heart of everyday life. Newell begins by tracing the history of Celtic spirituality and how it clashed with Rome, then he goes on to draw from a rich and diverse selection of Celtic sources on creation: Eriugena, Pelagius, the Carmina Gadelica, novelist George MacDonald, poet Kenneth White, and Iona Community founder George MacLeod. Newell also includes meditation exercises that may be used by either individuals or groups. Newell is quickly becoming one of today's most authoritative and inspirational voices on Celtic spirituality. His book is perfect for prayer groups, seasonal parish programs, small faith communities, religious communities, spiritual seekers, anyone of Celtic heritage, and anyone interested in creation spirituality. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
