The Vietnam Education Foundation (VEF) Act of 2000 established VEF as an independent agency of the executive branch. A 13-member board of directors provides primary oversight. VEF also receives guidance from other entities in carrying out its mission to further bilateral relations between the United States and Vietnam through educational exchanges in science, technology, and other fields. In light of challenges identified in managing VEFs operations, GAO was asked to examine the extent to which VEF has implemented a framework for internal control. To address this objective, GAO analyzed VEFs financial statements, audits, board meeting minutes, and policies and procedures, and conducted interviews with past and current board members, as well as VEF management and staff. GAOs Standards for Internal Control were used to assess this information. This item ships from La Vergne, TN. Paperback.
