Brand New Book ***** Print on Demand *****.Excerpt from Recipes for Sea Food: How to Prepare and Serve Fish, Oysters, Clams, Scallops, Lobsters, Crabs, and Shrimp Owing to the magnitude of the business as represented from a financial standpoint, the large and varied territory over which it expands, it became imperative to safeguard as far as possible the individual and collective interests of all the dealers and to that end the Wholesale Fish Dealers Credit Association (two departments, Credit and Collection) was formed. Its additional purpose also is to protect the honest retailer, so far as lies in its power, against the competition of the unscrupulous and designing who do not pay their honest obligations. It is advisable, when seeking credit, to file with the association a statement on blanks provided for this purpose. These statements are affirmed or denied by our Correspondents who represent the association in all parts of this country and Canada. Such references qualify or deny the seeker to an open account. Delinquents or slow pay are put on a cash basis. Unscrupulous retailers or those who by design or sharp practice do not meet their honest obligations, arrangements are perfected for their prosecution. The compiled records, both credit and undesirables, are open to the inspection of all the dealers, hence it behooves any and all retailers to observe the one golden maxim, i. e., Honesty is the Best Policy. While yet in its infancy, the association has demonstrated its worth, proven a valuable adjunct to our line, and has received many flattering testimonials from different business sections of the country.
