

Byron (Dodo Press) (Paperback)

By John Nichol

Dodo Press, United Kingdom, 2007. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A book about the dynasty of the Byron family written by John Nichol, who was a Scottish man of letters and son of the astronomer J. P. Nichol. He was educated at Glasgow and Balliol College, Oxford, where he had a brilliant career. After taking his first-class in classics, he remained at Oxford as a coach. With Albert Venn Dicey, Thomas Hill Green, Swinburne and others, he formed the Old Mortality Society for discussions on literary matters. In 1862 he was made professor of English literature at Glasgow. He visited the United States in 1865, and in 1882 he wrote the article on American literature for the ninth edition of the Encyclopaedia Britannica - an article which is a good example of his pungent (sometimes unduly pungent) style. He left Glasgow for London in 1889.

Reviews

This pdf is very gripping and fascinating. We have read and that i am certain that i am going to going to read once more again in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Burnice Cronin**

This is the finest ebook i have got read through till now. It really is full of wisdom and knowledge You wont sense monotony at anytime of the time (that's what catalogs are for relating to in the event you ask me).
