HarperCollins Publishers Inc, United States, 2009. Paperback. Book Condition: New. Original. 198 x 135 mm. Language: English . Brand New Book. Body conscious, cubicle-working, and love lorn in the Minneapolis suburbs, Jennifer Johnson is your average American woman. So it s totally understandable when she freaks out after learning her ex-boyfriend is getting married, as is her younger sister, Hailey. To add insult to injury, this means she ll have to wear an Asian-inspried kimono bridesmaid dress, which shows every curve and dimple plus more. Approaching thirty, single, and still unsatisfied with her career as a copywriter for the family-owned Keller s department store, like any woman would, Jen begins to obsess about finding a boyfriend, losing weight, and perhaps chasing her dream job. When Brad Keller, heir to the Keller s business, comes into the picture, it looks like Jen s luck just might be changing. But, as often is the case, in reality, things are never quite as glossy beneath the surface and life s decisions aren t always about following your dream. We re with Jen every step of the way from her daily struggle to eat or not eat a Cinnabon to her decision to ruin the kimono with Drano, and finally, to her chance to define her happiness .
