Brand New Book ***** Print on Demand *****.Hi, My name is Mayo and I m about to show you a simple,real life inspired step-by-step forumula that will help you to achieve first class marks in your University degree. How can I make such a bold statement? My story I walked into final year of university holding a border-line third class in Bsc Economics, this meant I required first class marks in my final year of University to graduate with a Upper Second-Class Honours(2.1). I was absolutely clueless as to how I would achieve this. I knew my University Degree was crucial for landing my dream job and my own personal achievement. I feared that i d be a disappointment to my parents, especially after all the sacrifices they had poured into my education all my life.I later sought tutors, lecturers and friends for advice and support to achieve first class marks but nobody believed it would be possible. I made a decision to stop making excuses and pursue my academic dreams. Throughout my long, tedious and memorable final year of University, I discovered and applied different effective strategies and steps that helped me to improve my marks significantly to first class. I will share these strategies with you in the book. Long story short, I woke up on results day logged on my student portal and saw that I had achieved first class marks and my dream university degree. Following my graduation, I have been able to work with other university students and share these steps and strategies with them. Several of these students have successfully applied just a handful of these steps to achieve their academic dreams, imagine the possibilities if...
