## SOD'S LAW: WHY LIFE IS ALWAYS BUTTER SIDE DOWN

Atlantic Books. Paperback. Book Condition: new. BRAND NEW, Sod's Law: Why Life is Always Butter Side Down, Sam Leith, "Sod's Law" collects the funniest and most pitiable stories of human misfortune from the dawn of the universe to the present day, showing why everything that can go wrong, does. To every explorer with his map upside down, to every air-traffic controller suddenly receiving Magic FM through his headphones, to every astronomer whose new planet turns out to be a bit of bran-flake on the eyepiece of his telescope, "Sod's Law" says: you are not alone. Sam Leith tells the hilarious - and painful - stories of the unsinkable boat that sunk, the unbeatable horse that lost, and the fireproof theater that burned to the ground. "Sod's Law" demonstrates that the entire universe is actually set up to ensure your toast always fall butter side down - and, what's more, that it lands precisely where the cat has shed hair all over the carpet. In this age of doubt, fewer and fewer of us are able to believe that a higher power takes an interest in our fate. This book will reassures us that it does - and that higher power is hell bent on bugging things up. Only by laughing heartlessly at the misfortunes of others can we cheer ourselves up. "Sod's Law" enables us to do just that.
