Reviews

*Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.
(Dr. Deonte Hammes DDS)*

A HISTORY OF ENGLISH DRAMATIC LITERATURE, VOL. 1

Atlantic Publishers & Distributors (P) Ltd, 1997. Hardcover. Book Condition: New. ? the most exhaustive and important in its field.? Thus, the judgment of an outstanding 19th century literary figure (see below on Ward?s masterly History of English Dramatic Literature). It is a judgment that has stood up remarkably well in the passing of almost a century since the work was first published. Students and scholars alike will find this famous history an invaluable source book on English literature. Ward?s lucid survey starts with the origin of the drama in England and the beginnings of regular drama. After an excellent account of Shakespeare?s predecessors there is a long and astute section on Shakespeare himself, including a discussion of the dramatist?s early influence on the Continent, especially in Germany. Volume II also covers Ben Jonson and the later Elizabethans, concluding with the ?merits and defects? of Beaumont and Fletcher. Volume III ends the work with an examination of the later Stuart drama ? when prose had become permanently the vehicle of dramatic speech in English comedy ? and the decay of tragedy. From an early review by Richard Burton in *The Dial* : . the work is beyond all compare the most exhaustive and important . in its field . When this monument of scholarly investigation appeared, in 1874, it was at once recognized as authoritative, and has held the position ever since. Dr. Ward?s survey of the native drama.stands alone among scholarly achievements by Englishmen. The prime merit of the work, aside from thoroughness, good judgment in ample illustration, and the deduction of sound principles therefrom, lies in this giving of due attention to the history of the stage, while at the same time keeping the student to a realization of the drama?s literary splendors . drama in its technique...
