Consumed: Food for a Finite Planet

By Sarah Elton

The University of Chicago Press. Hardback. Book Condition: new. BRAND NEW, Consumed: Food for a Finite Planet, Sarah Elton, By 2050, the world population is expected to reach nine billion. And the challenge of feeding this rapidly growing population is being made greater by climate change, which will increasingly wreak havoc on the way we produce our food. At the same time, we have lost touch with the soil - few of us know where our food comes from, let alone how to grow it - and we are at the mercy of multinational corporations who control the crops and give little thought to the damage their methods are inflicting on the planet. Our very future is at risk. In Consumed, Sarah Elton walks fields and farms on three continents, not only investigating the very real threats to our food, but also telling the little-known stories of the people who are working against time to create a new and hopeful future. From the mountains of southern France to the highlands of China, from the crowded streets of Nairobi to the banks of the St. Lawrence River in Quebec, we meet people from all walks of life who are putting together...
