Brand New Book ***** Print on Demand *****.You can never tell a person s story by the way they look or carry themselves. A beautiful face can hide internal scars from abuse, a smile can disguise late night tears, and the past can isolate and prevent you from ever moving forward. The real and raw stories told in this memoir will shock, entertain and possibly make its readers cry. See the world through the eyes of an abuse survivor, a teenage mother, and a phenomenal woman that lived to see the light at the end of the tunnel.
