THE SEVEN PERFUMES OF SACRIFICE

DOWNLOAD

Priya Press. Paperback. Book Condition: New. Paperback. 268 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. The Seven Perfumes of Sacrifice, Amy Logans controversial debut novel - over a decade in the making - is a womens thriller about the search for the divine feminine and the ancient lost origins of honor killing in the Middle East. In this post-911 cautionary tale, an American writer struggles to civilize a tiny Arab village of Israel; her intercession leads to tragedy beyond anyones calculation. . . and revelations that could heal what seems hopeless. Freelance journalist Fereby McCullough Jones is struggling to sell stories from Israel when she befriends Leila, a young artist in a village on Mt. Carmel. Leila is a Druze - a secretive, Arabic-speaking, thousand-year-old offshoot of Islam - and shares her double life with Fereby: Painting nudes, lovers and goddesses - taboo subjects in her culture - and selling them in Tel Aviv. When Leila becomes the possible victim of an honor killing - the murder of a female by her family for violating cultural gender norms - Fereby witnesses the village celebration, her familys silence and police indifference. Enraged, Fereby launches an investigation that is decidedly unwelcome. With her oddball translator, Moshe, she struggles to unearth Leilas traumatic life story, facing a conspiracy of silence, police and government corruption, a forbidden connection with Leilas brother, Fadi, and danger and backlash she never anticipated. After a shocking turn of events, Fereby is forced to come to terms with her own painful past thats fueling her search. Then, Leilas last series of paintings prompts Fereby and Moshe to make a surprising discovery: The ancient, lost origins of honor killing, which have been suppressed for millennia, and hold some volatile secrets. A mysterious prediction leads Fereby to Leilas killer, but it turns...
