

Careers in Automotive Design (Paperback)

By Institute for Career Research

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.CHOOSING A CAREER CAN SEEM A daunting task. Naturally, you want to get it right. Don't let the importance of this decision intimidate you, however. Do just the opposite. Use its importance to bolster your enthusiasm for doing the research to help you make the right choice. The fact that you are taking the time to read this report is a good sign. Start by considering what you like to do. This isn't the only question you should ask yourself when starting your career search, but it's definitely the most important one. Money, work environment and your own natural aptitudes are all important, but nothing is worse than choosing a career based on something other than personal satisfaction. Determine what you would be happy to do for free, and then figure out how to get paid for it. Cars inspire more emotion than any other manufactured product ever made. In fact, it's easy to forget that they are, indeed, manufactured products. Cars are larger and more complicated than, say, can openers, but they are...
