With their father dead and their mother a stranger to them, she must stay at home and keep house whilst her elder siblings go out to work. As she goes about her daily chores, her head is full of dreams. And she longs for the day she can have a life of her own. When a fire threatens to destroy the nearby docks, Lily's act of kindness towards a handsome foreigner has disastrous consequences for the whole family. For shortly afterwards they are thrown out of their home and have no choice but to move into two mean rooms above the fire station where Lily's brothers work.
