Excerpt: . . . 15 Administrator may waive the requirement to pay the non-Federal share of the cost of carrying out an eligible activity if the Administrator determines that an eligible entity is unable to pay, or would experience significant financial hardship if required to pay the non-Federal share. This section authorizes 300 million per year for each of fiscal years 2006 through 2010. DISCUSSION In this section, the committee acknowledges there is a growing interest in providing grant funding for the common goals of restoring watershed functions; upgrading treatment works; assisting POTWs in complying with new and existing Federal pollution control requirements; identifying alternative water supplies; and addressing high priority projects, such as storm water, combined sewer overflows and nutrient loadings. In the previous versions of the water infrastructure bill, S. 1961 in the 107th Congress and S. 2550 in the 108th Congress, the committee has considered language in the water...

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
