Meaningful Change is Based upon Something Much Stronger than Our Own Self-Will. When we make the decision to change, we often do it because we are sick and tired of the life that we have been living. That choice is usually based on an earnest desire to do things differently; however, under our own strength, it doesnt always work out that way. God is in the change business. He has the ability to make all things work together for the good of those that place their faith in Him. God promises us that He can and will heal us through His Holy Spirit. . . From the Author When most people hear the word recovery, they first think about overcoming addiction to drugs and alcohol. While an important part of the process of overcoming addiction, true recovery is for all of us who are tired of anything that may be destroying our lives. It is for all of us who want to stop living in grief, fear, anxiety, guilt and shame. It is for all of us who want to separate ourselves from the issues of the past. And it is for those of us who want to turn our will and our life over to a sovereign God who loves and forgives us. My hope is that through this study will help you to strengthen your faith and grow closer to Him.
