Hope Mountain Press, United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.A coming of age novel about a boy overcoming divorce and cultural dislocation. When Father and Mother, a highflying young American lawyer and his party-hard bride, fall prey to the self-destructive lure of alcohol and sexual liberation, Will and his sisters pay the price in divorce and kidnappings that take them back and forth between the rain forest hideaways of coastal Latin America and the placid suburbs of Long Island. Will identifies with the oppressed workers laboring in his father s fast food restaurant and longs for American freedom. Father remarries the daughter of a local aristocrat, and Will is sent off to the hothouse world of a New England boarding school. Swimming in a sea of Fair Isle sweaters and LL Bean boots, Will discovers a core of resilience in himself that allows him to survive, thrive, and ultimately embrace the flawed and varied worlds he inhabits. Will reconnects with Mother, sinking into a New York City world of Irish bars and one night stands he cannot save her from. With a little help from friends, and a high school Shakespeare class taught by the school s closeted gay athletic trainer, Will begins to see the possibility of finding his true path. Latitudes charts the birth pangs of a quest for self and soul - from a tropical childhood to a coming of age on the road.
